Selinsgrove Community Action Needed: Wear Your Face Masks

Residents of the Borough of Selinsgrove,

We hope you are all staying safe and healthy during the COVID-19 pandemic. Pursuant to Governor Wolf's declaration yesterday, we would like to take a moment to remind every resident regardless of age to wear a face mask to cover your nose and mouth when traveling anywhere outside of your home. This small action could truly help save lives and help to stop the spread of Coronavirus.

If you need a mask there will be a mask and hand sanitizer give away this Saturday, April 18, 2020 at 11:00 am while supplies last. They will be distributed in Union Alley by the Rudy Gelnett Library. All citizens must stay in their car during this drive thru event. No early arrivals are permitted and the limits on these items per car are; 2 masks and one 1 oz. hand sanitizer. This event is sponsored by Beverley's who graciously made each of the masks and Demeter who is providing the hand sanitizer.

Remember to continue practicing social distancing which means being at least 6 feet away from another person. Also, wash your hands with soap and water for at least 20 seconds, use hand sanitizer, continuously clean high-touch surfaces, and do not shake hands.

If you have any questions for the Borough of Selinsgrove staff, please call during our normal business hours and continue to monitor the Borough website; www.selinsgrove.org for more information and any upcoming virtual meetings. Thank you all in advance for wearing your face masks.

Jeffrey Reed
Mayor

Sincerely,

Marvin Rudnitsky
Council President
